FUTURITY RULES

Classic Futurity will consist of a yearling halter futurity, a 2-year-old Halter and Cart class.

Entry fee to each horse will be \$50.00, which will go into the class jackpot.

Multiple entries will be accepted.

Both classes are open to Registered or Chipped Clydesdale Fillies, Stallions or Geldings. Please forward a copy of Registration with Entry to make horse eligible. Registration must be in Canada or the USA. Horses without proof of registration will only be accepted with a micro chip. Grade horses must be micro chipped and read prior to entry into the show ring.

All horses entered in the futurity will also need to be entered in the regular show to cover stabling fees.

In order to show in the 2017 – 2-year-old classes, the horse would need to have been entered and shown in the 2016 yearling class.

Placing made as a yearling will not have any affect on payout for 2-year-old show the following year.

To be eligible for Futurity placing and prize money, the horse must be entered and shown in its futurity yearling class and in both its 2-year-old halter class and 2-year-old cart class.

2-year-old placing will be determined by an accumulation of points from halter and cart.

In event of a tie, halter placing will break tie.
