

2023 Clydesdale Classic Cart Class

Sponsored by the Manitoba Thresherman's Reunion & Stampede

This is an added opportunity to gather prize money from the *Ladies Cart Class at the Manitoba Chydesdale Classic* with points earned from shows around Manitoba.

-Points will be taken from the *Ladies Cart Classes* and can be gathered at any show in **Manitoba**. Tabulation of points include all breed entries in the class.

-There is no number requirement for shows attended, but for any points to count you must show in the *Ladies Cart Class* at the Manitoba Clydesdale Classic in Austin, Manitoba. Austin may be the only show attended.

-One entry per farm, but drivers and horses can change from show to show.

-The prize money is \$1000 and will be paid out amongst entrants at the time the prize money is sent out from the Manitoba Clydesdale Classic. Every entrant will receive a portion of the prize money and like many other classes, first place will receive the greatest portion and the rest of the prize money will decrease throughout the following placings. Entries below a certain placing may receive the same amount of prize money. This will be decided by the Manitoba Clydesdale Classic Show Committee.

-You will receive 1 point for showing in the class, and in any case where you did not place, under placing put “1 of the (# of exhibitors that did not place)”.

Example:

Fair Name	Fair Date	Judge	Placing	# of Entries
**	**	**	1 of 3 that did not place	**

In this example, the entrant would receive 3 points, because 3 exhibitors did not place.

-Print form off and fill out as directed. Hand in to Charity Martin or Trudy Doan at the Tuesday night exhibitor meeting at the Manitoba Clydesdale Classic.
